# Off-Campus Use

- Reminder: the following requirements must be met for off-campus use of **ALL** UNT assets (including working from home on a temporary or permanent basis):
  - A **University Property Custody Receipt** (available at [AssetManagement.unt.edu](https://AssetManagement.unt.edu)) must be completed and on file with Asset Management. These forms expire annually and must be renewed as long as the asset is still located offsite.
  - The asset will need to be returned to campus each year to be physically verified for **Annual Inventory Certification**.
  - Your department's **Inventory Coordinator** must update the asset record in EIS to reflect the offsite status by checking the "This asset is offsite" box.
- We realize that the COVID response in the spring of 2020 resulted in these requirements being overlooked due to time constraints, but they must be met as soon as possible.

Please reach out to the Asset Management team at [asset.management@unt.edu](mailto:asset.management@unt.edu) or (940) 565-2392 if you have any questions.
